Village of Cross Plains

Parks and Recreation Department

Memorandum

To: Parks, Recreation and Conservancy Committee
From: Michael Axon, Village of Cross Plains Parks, Recreation and Conservancy Director
Date: July 15, 2020
Re: Director's Report

Glacial Valley Playground Update

On Monday, April 27, 2020 the Village Board approved the purchase of new playground equipment at Glacial Valley Park, not to exceed \$141,199.00 and to be paid from the Parks and Recreation Department's Fund Balance. Following the meeting and discussion with Village Administrator, Bill Chang, Village Capital Projects were frozen until the Village could assess Village finances following the start to the COVID19 pandemic.

On Wednesday, July 15, the purchase of the equipment was approved and processed with Boland Recreation. The equipment has an estimated arrival date of September 21, 2020. We're excited to get the new equipment installed. Due to COVID19, Village Staff will be performing the install along with a representative from Boland Recreation.

H.M. Zander Community Nature Park – New Signage

As the weather warmed up, we noticed more and more families and children playing near the creek. As we love seeing and hearing stories from our young residents about the crawfish they're catching, snakes they're seeing and how much fun tubing is, we wanted to make sure they were doing so safely.

Following discussion with the Village Board and Police Chief – Tony Ruesga, along with multiple reports that kids were jumping off of the bridge in Zander Park, staff purchased 6 new signs to be added to the pedestrian bridge(s). To date, reports of the activity have decreased and we'll continue to monitor and educate as the warm summer months proceed.

Cross Plains Swimming Pool

The Village of Cross Plains Swimming Pool opened on July 1, 2020. The implementation of new policies and procedures has provided an efficient and safe environment for our staff and participants. To date we've recorded 154 Family Memberships and 18 individual memberships (172) totaling \$18,735.00 in general revenue. (2019 Family: 166; Individual 11; (177 - \$21,197.00))

Staff has done a wonderful job implementing policies and providing a safe atmosphere for patrons and their peers. The sign-up process and entering the facility has received a tremendous amount of support, with only a few waves, to start the 2020 season. Staff would like to thank the community and patrons for their guidance, support and compliance during this difficult time.

Staff would like to thank Tom and Stacy Bernd, Kendra Calvin (Cross Plains Stingrays) and Shane Ryan (Madison Aquatic Club) for their teamwork, communication and compliance. You were all wonderful to work with and I'm grateful for your help and service to our community. ~ Thank You ~

Sincerely,

Michael Axon

Memorandum

To: Parks, Recreation and Conservancy Committee
From: Michael Axon, Village of Cross Plains Parks, Recreation and Conservancy Director
Date: December 9, 2019
Re: Parks, Recreation and Conservancy Agenda

- 1. Discussion and possible action regarding Village Ordinance, Chapter 72.03 (r) regarding pets in parks.**
In 2016 the Parks, Recreation and Conservancy Committee recommended "repealing and recreating" Chapter 72.03 (r), allowing pets in Village Parks providing they meet eight different criteria, following numerous discussions with the community. The previous ordinance, not allowing pets in any Village Owned Park, was said to be too restrictive.

Following discussion at the Village Board meeting as they look to "repeal and recreate section 21.09 (a) and (b) Concerning Animal Control", they're asking for discussion and action on the length of the leash that's connected to the pet. At this time, if changes are sought, staff recommends a leash not to exceed 10 feet in distance from the owner. The one thing we can't forget is that some families and children using our parks and open space are scared of pets and/or allergic. At the time of the creation of this ordinance, 6 feet seemed like a safe distance
- 2. Discussion and possible action on Ordinance No. 06-2020: Repeal and Recreate Section 21.09(a) and (b) Concerning Animal Control.**
Staff (Parks and Recreation Director) recommends using the same language as provided in section 72.03 (r) (1-8) as a bases for recreating section 21.09(a) and (b). This allows for cohesive education and administration for all involved.
- 3. Discussion and possible action regarding a Park Use Agreement between CP Riders Snowmobile Club and the Village of Cross Plains in accordance with Village Ordinance, Chapter 52.02.**
Formal agreements with the CP Riders Snowmobile Club went away in 2014-2015 following a decision by the Village Board to allow snowmobiles on all Village streets. At this time, a request has been made for a Park Use

Agreement be made between the Village of Cross Plains and CP Rider Snowmobile Club, to operate on Village property. Staff is looking for direction on this agreement at this time.

VI. Committee Discussion

1. **Discussion and possible action to approve the minutes of June 15, 2020.** – For Approval
2. **Discussion and possible action on the Baer Park (Expansion) concept plan provided by Vandewalle and Associates.**
As requested and per our report from the 2019-2024 Parks and Open Space Master Plan, staff recommends the approval of the Baer Park Expansion Plan as presented. This concept plan will be used by staff to explore potential improvements including a new playground, trail and establishing turf fields for active recreation. This plan can also be referenced for discussion surrounding a new aquatics facility.
3. **Discussion and possible action regarding the Memorandum of Understanding between the Village of Cross Plains and Capital Off-Road Pathfinders.**
Attached to this report is an updated Memorandum of Understanding (MOU) between the Village of Cross Plains and Capital Off-Road Pathfinders. With the report last month of the completion of the trail on Cedar Hill Conservancy and the expiration of the current MOU (July), staff alongside CORP produced an update as presented.

SECTION 72.04 Use of Parks; Permits.

- (a) The Village owned parks, park facilities and shelter areas in the Village are primarily for the nonexclusive use of the residents of the Village. However, under proper circumstances, exclusive use of the same may be permitted. This section is intended to regulate exclusive use of Village owned parks, park facilities and shelter areas in the Village to the end that the general welfare of the Village is protected.

- (b) A person, group, firm, organization, partnership or corporation may reserve the use of a park, park facility or shelter area located in the Village by written application filed with the Director for a permit for exclusive use of the same.
- (c) Applications may be filed with the Director any time after January 2, of each year for use of a park, park facility or shelter area, but any application shall be filed at least 14 days prior to the date on which the exclusive use is requested and shall set forth the following information regarding the proposed exclusive use:
 - (1) The name, address and telephone number of the applicant.
 - (2) If the exclusive use is proposed for a group, firm, organization, partnership or corporation, the name, address and telephone number of the headquarters of the same, and the responsible and authorized representative of the same.
 - (3) The name, address and telephone number of the person who will be responsible for the use of said park, area or facility.
 - (4) The date when the exclusive use is requested and the hours of the proposed exclusive use.
 - (5) The anticipated number of persons to use said park, area or facility.
 - (6) Any additional information which the Director finds reasonably necessary to a fair determination as to whether a permit should be issued.
- (d) Applications for the exclusive use of a park, park facility or shelter area shall be approved by the Director and shall be evaluated in the order of the request.
- (e) The Director shall act as promptly as reasonably may be on all applications for permits after consulting with the applicant, if necessary.
- (f) The application shall be denied for any of the following reasons:
 - (1) If it is for a use which would involve a violation of Federal or state law or any provision of this Code.
 - (2) If the granting of the permit would conflict with another permit already granted or for which application is already pending.
 - (3) If the application does not contain the information required by sub. (c) above.
 - (4) If it is for a use of a park, park facility or shelter area at a date and time when, in addition to the proposed use, anticipated nonexclusive use by others of the park, park facility or shelter area is expected and would be seriously adversely affected.
 - (5) If the policing of the exclusive use will require so large a number of persons as to prevent adequate law enforcement to the park, park facility or shelter area involved or of the rest of the Village.
 - (6) The exclusive use will reasonably create a substantial risk of injury to persons or damage to property.
 - (7) The exclusive use is so poorly organized that participants are likely to engage in aggressive or destructive activity.
- (g) The application may be denied for any of the following reasons:
 - (1) If the applicant is not a resident of the Village.

- (2) If the exclusive use is proposed for a group, firm, organization, partnership or corporation and the said group, firm, organization, partnership or corporation does not have its headquarters, principal place of business or hold regular meetings in the Village.
- (h) Prior to granting any permit, the Director may require the permittee to file evidence of good and sufficient sureties, insurance in force or other evidence of adequate financial responsibility, running to the Village and such other third parties as may be injured or damaged, in an amount depending upon the likelihood of injury or damage as a direct and proximate result of the exclusive use sufficient to indemnify the Village and such third parties as may be injured or damaged thereby, caused by the permittee, its agents or participants. Whether or not sureties are required, the permittee shall fully reimburse the Village for any expenses it incurs to repair any damage (beyond normal wear) to the park or park facilities, to clean the reserved area at the expiration of the permit, to replace any keys or re-key any locks upon a failure of the permittee to return all keys to the Village and any cost incurred in obtaining such reimbursement, including reasonable attorney fees.
 - (i) A permit is not required for exclusive use of a park, park facility or shelter area sponsored by the Village.
 - (j) The Director, after granting a permit, may revoke a permit already issued if it is deemed that such action is justified by an actual or potential emergency due to weather, fire, riot, other catastrophe or likelihood of a breach of the peace or by major change in the conditions forming the basis of the issuance of the permit.
 - (k) Each permit shall be in a form prescribed by the Director and shall designate the park, park facility or shelter area involved, date, hours of the exclusive use, purpose of the exclusive use and the name of the person, group, firm, organization, partnership or corporation to which the permit is issued.
 - (l) All applications for park use permits shall be accompanied by a fee and key/cleanup deposit according to a schedule adopted by Resolution of the Village Board.
 - (1) Deposits made pursuant to this subsection shall be returned to the applicant if the facilities for which the permit was issued are surrendered in a clean and undamaged condition upon expiration of the permit and all keys issued for access to the facilities are returned to the Village on the next business day. In the event the permittee is liable to the Village for any loss or damage, the amount thereof may be retained from the deposit and the balance, if any, returned to the permittee. Any deposit retained shall be deemed partial satisfaction of the permittee's liability to the Village and neither the retention of the deposit nor return thereof shall preclude the Village from recovering the balance of the amount due.
 - (2) The Village Board shall have the authority to waive permit fees upon request by the applicant. In considering such requests, the Village Board shall consider the proposed location of the event, whether or not the

proposed event is open to the public, any admission or participant fees to be charged, and whether or not the event is sponsored by a governmental or by a not-for-profit organization.

SECTION 72.05 Alcoholic Beverages in Village Parks.

- (a) It is unlawful for any person to possess or consume an alcoholic beverage in any Village park between the hours of 10:00 p.m. and 5:00 a.m. except as provided in Subsections (b) and (c).
- (b) An alcoholic beverage license issued by the Village for a particular event may state that it is unlawful for any person to possess or consume an alcoholic beverage at the event after an hour later than 10:00 p.m. The later hour must be stated on the license for the later hour to be effective.
- (c) An alcoholic beverage license issued by the Village for a particular event may state that the event is a wristband event. The alcoholic beverage license issued by the Village for a wristband event may state that it is unlawful for any person to possess or consume an alcoholic beverage at the event after an hour later than 10:00 p.m. The later hour must be stated on the license for the later hour to be effective. If an event is designated as a wristband event, a person may possess or consume an alcoholic beverage outside any fenced area on the licensed premises only if the person is eligible to wear, and is wearing, an authorized wristband event wristband.

- (c) **Procedures for Burning.**
 - (1) The Director shall specify the date or dates upon which each designated area shall be burned and cause notice thereof to be published in a newspaper likely to give notice to residents within the Village. Such notice shall include a statement that any such dates may be postponed at the discretion of the Director without further notice.
 - (2) The Fire Chief shall, to the extent practicable, adhere to the schedule published pursuant to sub. (1), provided, however, that any schedule so established shall be modified as necessary to maximize the safety of firefighters and the public. In establishing a schedule and in making any modification thereto, the chief shall consider the following:

- a. The requirements of any applicable fire code and any other applicable statute, regulation or ordinance;

- (3) All burning operations authorized by this section shall be conducted under the direction and control of the Fire Chief. Each such operation shall be directly supervised by the Chief or Assistant Chief.
- (d) **Liability.** Nothing in this section shall be construed to create or increase any liability which might otherwise be imposed upon the Fire Chief, the Fire Department or any of its officers or members, the Fire Board, the Village or any of its boards, commission, officials or employees to any third party.

- (a) **Enforcement.** The Director, the Chief of Police or any law enforcement officer designated by the Chief, may suspend any person from further use of any park for violation of any rules adopted under 72.03. Such suspension shall remain in effect for the duration thereof as determined by the Director, Chief or officer when the suspension is imposed. The imposition of a suspension under this paragraph may be appealed to the Village Board. The pendency of an appeal shall not stay a suspension. The Director shall refer any rule violations which also constitute violations of any ordinance of the Village to the Police Department for citation and prosecution.
- (b) Any person who violates any provisions of this subchapter, including a violation of any suspension issued under subsection (a) above, shall be subject to a penalty as provided in sec. 1.09 of this Code.

Agenda Memorandum

Staff/Department: Bill Chang, Village Administrator
Subject Matter: Ordinance 06-2020; Animal Control – Dog Lease Ordinance
Meeting Date: May 26, 2020
Referral History: PSC-05.05.2020

Executive Summary:

This ordinance cleans up language in Section 21.09 and now requires a lease of six (6) feet or shorter for any “domestic animal, chicken, or livestock” when brought into a public building, sidewalk, street, right-of-way, or other public area.

Project Background:

The Village currently does not have a Village wide lease law. Recent complaints have expressed concern over control safety of dogs and other animals not in the owner’s control.

This matter was referred from the Village Board to the Public Safety Committee. On May 5, 2020. The Public Safety Committee voted to recommend a village wide lease law. They also believe that control of such animals would reduce the harassment of wildlife.

Code/Policy Review:

[Chapter 21](#) of the Village Municipal Code regulates Animal Control.

Fiscal Impact:

None

Recommendation:

Staff recommends adoption of Ordinance No. 06-2020, Repealing and recreating Sections 21.09 (a) and (b) regarding control of certain animals at large and in the public.
