Meeting Minutes

Village of Cross Plains
2417 Brewery Road, PO Box 97
Cross Plains, WI 53528
(608) 798-3241

Thursday, July 23, 2015

7:00 pm

I. Call to Order

The meeting was called to order at 7:00 pm.

Present: Terry Walker, Kathleen Pape, Kathy Pulvermacher, Sara Metz, Cathy Barman, and Mary Devitt.

- II. Approval of Minutes – April 21, 2015** - A motion was made by Barman, seconded by Metz, and unanimously carried by the Streetscape Workgroup to approve the minutes from the April 21, 2015 meeting.
- III. General Project Updates** – The Village Administrator provided updates on the Highway 14 Reconstruction Project.
- IV. Discussion and action to make a recommendation to the Village Board regarding the final placement of the eastern and western Gateway Signs on US Highway 14 (Main St.)**– Following discussion, a motion was made by Barman, seconded by Devitt, and unanimously carried by the Streetscape Workgroup to make a recommend acceptance to the Village Board of the final placement of the eastern and western Gateway Signs on US Highway 14 (Main St.).
- V. Discussion and action to make a recommendation to the Village Board regarding the final placement of the Rapid Rectangular Flashing Beacons (RRFBs) and Overhead Street Banner on US Highway 14 (Main St.)** - The workgroup reviewed the DOT drawings for the final placement of RRFBs and overhead street banner on US Highway 14. Following discussion, a motion was made by Barman, seconded by Pulvermacher, and unanimously carried by the Streetscape Workgroup to make a recommend acceptance to the Village Board of the final placement of the rapid rectangular flashing beacons and overhead street banner on US Highway 14 (Main St.).

VI. Adjournment

A motion was made by Barman, seconded by Metz, and unanimously carried by the Streetscape Workgroup to adjourn the meeting at 7:31 pm.

Pursuant to law, written notice of this meeting was given to the public and posted on the public bulletin boards in accordance with Open Meetings Law.

Respectfully submitted,

Matthew G. Schuenke
Village Administrator/Clerk-Treasurer

Main Street Overhead Banner Policy 2015-05

I. Purpose

The purpose of this policy is to establish the practice and procedure for the placement of overhead banners across Main Street (US Highway 14) on the banner poles constructed solely for this purpose. The overhead poles may **ONLY** be used by civic and not-for-profit organizations to display banners announcing community-wide events which have been approved in accordance with this policy. The use of overhead banners is not intended to advertise private or political functions.

II. Applicability

This policy shall be used in conjunction with Chapter 87 (Sign Regulations) and Section 22.22 (Special Event Permit) of the Village Code of Ordinances as amended.

III. Practice

The Public Facilities Department, under the direction of the Public Facilities Director, shall be responsible for the administration of this policy in conjunction with the Village Administrator/Clerk-Treasurer. The Village Administrator/Clerk-Treasurer, or designee, shall be responsible for the collection and disbursement of all application forms received from Applicants. The Public Facilities Director, or designee, shall be responsible for hanging the banner as directed within this policy upon presentation of the approved application with assistance from the Police Department as necessary for traffic control.

IV. Procedure

1. Requests for overhead banner placement shall be submitted, in writing, to the Village Administrator/Clerk-Treasurer not less than 30 days nor more than 90 days prior to the desired display dates in order to comply with WisDOT permit application submission regulations. In case of multiple applications for the same display dates, applications will be approved on a first-come, first-serve basis. The date of receipt of the required fees shall constitute the application date, and the first day of the requested display period shall constitute the date of the event for purposes of this policy. Requesting organizations should contact the Village Hall, (608) 798-3241, for an application form and instructions.
2. Application forms and instructions are available from the Village Hall. The application shall contain the name of the contact person for the requesting organization and such other information as the Village may require. The contact person listed on the application form shall be the responsible party for the purposes of this policy and its enforcement. There is one location with banner poles available for use. It is located at our around 2034 and 2039 Main Street. No other locations within the Village limits are authorized for overhead banners.

3. At the time of application, the requesting party shall pay a display fee to the Village Administrator/Clerk-Treasurer as shown in Attachment A. The display fee will be refunded should the application not be approved by either the Village or WisDOT. Payment of display fees shall be made payable to the Village of Cross Plains.
4. All applications for banner placement may be approved, modified, and/or denied by the Village Administrator/Clerk-Treasurer.
5. Display periods may not be prorated even if the banner is removed prior to the end of the display period as paid. Banners must not be removed on or before the end of the paid period and may not be installed prior to the commencement of the paid period as defined herein. For the purposes this policy, the following timings are authorized:
 - a. One Week Display – Shall begin on Tuesday and conclude on the following Tuesday.
 - b. Ten Day Display – Shall begin on Friday and conclude on the second Monday thereafter.
 - c. Two Week Display - Shall begin on Monday and conclude on the second Monday thereafter.
6. The requesting organization will hold harmless the Village of Cross Plains, Wisconsin and the Wisconsin Department of Transportation from any damages which may arise from the placement of the banner. The requesting organization shall provide certificates of insurance evidencing general liability coverage in the amount of \$1,000,000 combined single limit and naming the Village of Cross Plains, its employees, and assigns as additional insured (with endorsement naming political subdivision.) The Village of Cross Plains does not assume responsibility for damage to banners or damage caused by banners.
7. In addition to Village approval, all requesting organizations must receive a banner permit from the Wisconsin Department of Transportation (WisDOT) included as Attachment B. WisDOT regulations require that all banner messages be of not-for-profit in nature. The WisDOT permit application is available from the Village Clerk. WisDOT applications must be submitted through the Village. The Village will submit to WisDOT the application on behalf of the applicant and the Village.
8. Any requesting organization whose application for banner placement has been denied or modified by the Village Administrator/Clerk-Treasurer, may, upon written request to the Village Clerk, have the denial and/or modification reviewed by the Village Board which shall either affirm, reverse, or modify the initial action on the application. Such appeal determination by the Village Board shall constitute final action.

V. Implementation Requirements

1. Banners shall be constructed in accordance with approved specifications (Attachment C).
2. All overhead banners shall be installed by the Public Facilities Department. Applicants may not install banners. Banners will not be installed until all permits, fees, and approvals are in place.
3. Overhead banners may be displayed not more than 14 consecutive days unless an extended display item is specially approved by the Village and WisDOT.
4. The requesting organization shall be responsible for all banner production costs and must deliver the banner to the Public Facilities Department complete and ready for installation in accordance with the specifications set forth hereinafter.
5. The banner poles are reserved by the Village for holiday decoration from November 15th through February 1st of each year and therefore, are not available for use by other organizations during this period unless authorized by the Village Administrator/Clerk-Treasurer.

VI. Attachments

- A. Banner Display Fee Schedule.
- B. WisDOT Banner Placement Permit Form.
- C. Banner Construction Specifications.

Main Street Overhead Banner Policy #2015-05 will take effect immediately upon adoption by the Village Board for the Village of Cross Plains.

Dated this 28th day of September, 2015.

Attachment A

Banner Fee Schedule

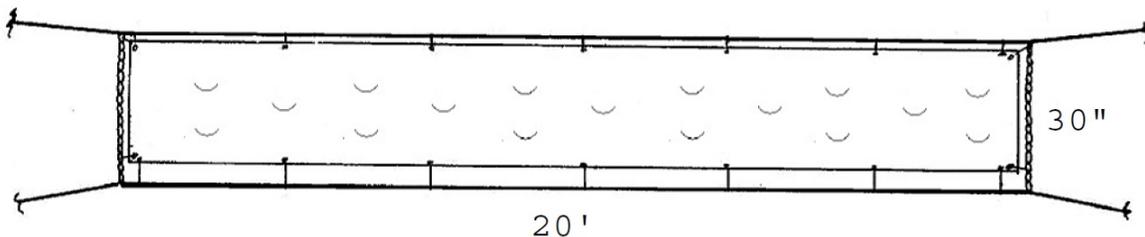

One Week Display	\$50.00
Ten Day Display	\$75.00
Two Week Display	\$100.00
Installation/Removal	\$100.00

Attachment C

Banner Specifications

- a. Size; up to 30" high (outside edge) x 20' long. The banner shall not exceed 150 pounds in weight. The installed banner must be at least 17 feet above the pavement.
- b. Banner must have a 3" hem along the top and bottom edge for cabling, with reinforced double stitching or heavy duty grommets on top and bottom.
- c. Material shall be 18 oz. vinyl with wind slits, banner canvas (Sunbrella) with wind slits, mesh vinyl, or any other approved banner material capable of handling a major wind load.
- d. Wind slits approximately 6" by 6" in area shall be evenly distributed throughout the banner. A minimum of one wind-relief flap per five square feet of banner area is required.
- e. Banners must be printed on both sides.
- f. Banner message must be approved by the Village and may not include any commercial or sponsor logo or advertisement.
- g. Banners must be clean and serviceable.
- h. All banners must have grommets installed in all four corners in order to secure the banner from moving from side to side. The upper and lower edges should each have at least six grommets. Corner connections must be capable of carrying 1,000 lb. load; all other connections must carry a 500 lb. load.
- i. Village may refuse to install banner if it is determined by the Village in its sole discretion that the subject banner does not meet these specifications and poses a threat to public safety.

Timberline Garland

Timberline Garland

- Made with heavy-duty, easy-to-shape steel wire
- Two-toned green color and realistic-looking accents made of colorfast materials
- Sockets every 6" to maximize visibility of the bulbs
- Illuminated with brilliant crystal-cut LED C-7 energy-saving bulbs, also available without bulbs
- Shape the **Timberline** branches before installation for a professional appearance.

PRO TIP

For a fuller, more natural appearance shape the **Timberline Garland** before installing. An easy and fast method is for two people to hold an end of the garland and shake vigorously. Be careful that the bulbs do not hit a hard surface and wear gloves!

Hi Dave,

Please see the attached streetscape sponsorship flyer. We are looking to do something similar here. Can you let me know the cost for plaques like the Waunakee items include?

Thank you,
Amy Hansen
