

❧ VILLAGE OF CROSS PLAINS ❧

is proud to announce the completion of the

BLACK EARTH CREEK IMPROVEMENT PROJECT

After many years of planning and nearly ten weeks of construction, Black Earth Creek has been moved and is now fully operational in its new alignment within Zander Park. The Village desires to celebrate this achievement and share in the accomplishment with its partners in the project. Special thanks to the Wisconsin Department of Natural Resources, Dane County, Village Board, residents and businesses of Cross Plains, Village Staff, Town and Country Engineering, Montgomery Associates, and Joe Daniels Construction. Without these partnerships, this project would not have been possible and we are thankful for everyone's efforts.

Ribbon Cutting

Friday, September 20, 2013 at 1:00 pm

Zander Park

At or near 2120 Main Street, Cross Plains, WI 53528
