

Municipal Problem Statement Worksheet

Sept. 2021

- Use this worksheet to develop a problem statement for your municipality.
- Use a separate worksheet for each problem statement.
- **By TH Sept. 23**, submit all *problem statement worksheets* in MS WORD format to mclellan@countyofdane.com and husen.sara@countyofdane.com .

Municipality		Village of Cross Plains	
Natural Hazard		Various	
Describe conditions associated with this hazard and identify where and when problem(s) occur			
<i>Describe what happens</i>		The Village of Cross Plains has seen higher intense weather-related events more often. When these events require areas for mass gathering, planning, and organizing, the Village often has to rely on private or non-profit organizations to house impacted people. This can interfere with emergency management operation or other business operation.	
<i>Location(s)</i>		Village Hall, Fire Department	
<i>Time frame associated with the occurrence</i>		Days	
Describe the risks from this hazard to persons, facilities, finances, and ancillary activities			
<i>Impacts on persons</i>		When people were removed from their homes due to natural disasters, they are dependent on local government to provide a place for evacuation.	
<i>Impacts on facilities (include locations as appropriate)</i>		The Village has several smaller meeting spaces but not that can accommodate large group for more than a few hours.	
<i>Financial impacts</i>		Housing impacted people in the current facilities will interrupt village and emergency operations.	
<i>Secondary / ancillary impacts</i>		Delayed response, delayed recovery	
Identify what a desired outcome looks like			
Construction of a mass gathering space with proper amenities.			
Describe why it is import to address this problem
