IMPORTANT PAYMENT DATES AND INFORMATION

Dear Village Property Owner,

The information presented here is intended to help you understand how your tax bill is calculated and to alert you to important payment dates. The Village of Cross Plains collects taxes on behalf of three other government jurisdictions. The other taxing jurisdictions establish their own budgets and levies, as outlined on the following page.

About 40% of your tax bill pays for Village services, including public safety (police, fire, EMS), refuse collection, snow and ice control, street maintenance, library, recreation, pool, parks, and other essential services. The 2023 Village Budget was approved with a tax levy increase of \$127,564, or 3.96% over last year. The Property Tax Rate of \$8.67 per thousand dollars of assessed valuation results in a \$0.15 increase, or 1.81%, from the \$8.51 tax rate established last year.
